An entrance fee of €25 per day, per member, has already been paid by your family at the time of booking.

### Your Welcome and Comfort

On each visit, a warm welcome awaits you with cushions and accessories tailored for your comfort. Sofas and beds are reserved for your masters. Your family is kindly requested to inform the Housekeeping Service of your presence to ensure your peace and quiet.

### Access to Common Areas

With discreet behavior, you are welcome to accompany your family on the restaurant and bar terraces (indoor spaces are exclusive). Your meals can be ordered to your room. The pools are reserved for your masters, but feel free to enjoy our park and forest for your walks, with Toutounet bags provided to help preserve the environment.

We rely on your family to support this effort.

### Respect and Good Conduct

The V.I.P Coquillade Provence Club values good relationships among all its members, both big and small. To maintain harmony, we ask that you respect the following rules:

- Avoid repeated barking.
- Walk on a leash in public areas.
- Protect the surroundings by avoiding any damage.

Any deterioration will be charged to your family, and in the case of non-compliance with the club's rules, your membership may be reassessed. We strive to ensure that every member enjoys their stay under the best conditions... right down to the last treat!
